#### **NEW QUESTION: 2**

For Financial Settlement, which of the following is the best practice adoption based on Procurement Cost?

Please choose the correct answer.

Response:

- A. Suppliers have visibility into payment status including invoice status, expected payment date and expected discount amount
- B. The AP system automatically alerts and does not accept receipt of goods when it finds differences between invoice, order and receipt (within defined tolerances)
- C. AP managers spend time monitoring and evaluating AP processes rather than entering invoices into the system

**D.** Company has supplier discount terms policy and compliance program to optimize capital through extension of days payable outstanding and discounts earned

**Answer: C**

**NEW QUESTION: 3**

Which of the following statements related to the Statement of Cash Flows is false?

**A.** All significant non-cash investing and financing activities should be reported in a supplemental schedule.

**B.** The purchase of treasury stock for cash would be reported in the investing activities section.

**C.** The Statement of Cash Flows is particularly useful since both the income statement and the balance sheet are prepared on an accrual basis rather than a cash basis.

**Answer: B**

Explanation:

This statement is false since treasury stock involves a company's own shares and thus would be classified as a financing activity.
