Answer: A

NEW QUESTION: 3

Your client wants you to create a single Compensation Change statement that includes compensation awarded for multiple plans. What would you, as an implementation consultant, advise your client?

(Choose the best answer.)

- A. Create a separate Change statement template for this purpose and associate it with the Statement group for which this is required.
- B. Create a custom data model that can pull compensation awarded from different plans and

display the data using a BI publisher layout.

C. Create a Compensation Statement Plan with cross-references to compensation awarded in each plan.

D. This is possible only in the on-premises model using customization and is not possible in an SaaS instance. Therefore, you would respond accordingly to the client.

Answer: A
