NEW QUESTION: 1

Which choices below are emergency management procedure directly related to financial decision making? Select three.

- A. Establishing critical incident stress procedures
- B. Establishing program procurement procedures
- C. Establishing procedures for the continuance of payroll
- D. Establishing accounting procedures to track the costs of emergencies

Answer: B,C,D

Explanation:

The correct answers are all examples of emergency management procedures which must be established by the financial department to ensure that fiscal decisions are executed in accordance with authority levels and accounting practices.

*Answer "Establishing critical incident stress procedures" is an example of a procedure that should be developed by the human resources department. The quality of employee morale and well-being can

include psychological needs as well as physical needs, and the role of the human resources department is critical in monitoring and managing immediate, short-term, and long-term employee stress.
